ABOUT FALCOM CORPORATION: Falcom Corporation is a company focused on developing, promoting, and distributing video games and creating communities for fun and support of its games. Falcom Corporation was established in June 2004 and is headquartered in Tokyo. Official Website: Media Contact: Email: information@falcom-corp.jp Tel: (0) 541-809-1017 Skype: falcom9 Hello everyone. I'm Yutaka Arai, producer of Tales of Abyss. I'd like to announce the development plan for Tales of Asceticism, the fourth game in the Tales of series. Contents: Tales of Asceticism is the fourth action RPG game in the Tales of series. It is also the third game in our series of games using a new engine. This time, we are revamping the graphics and adding a new visual design that delivers a brand new gaming experience for Tales. The main elements of the design are a new visual style that has been used in our recent games as well as new graphics. Also, the characters' design has undergone major revisions with a focus on the importance of design of the main characters. The main motto of this game is "easy to learn, hard to master." We are targeting worldwide sales of 1 million units. The release date is July 31, 2015. In other news: This month, we

A product packed with powerful features and brilliant designs!

**The Ruten amiss - Xmm is a turn-based multiplayer fantasy game being designed to completely change how players view the game!**

**The game is centered around the journey of the followers of Ruten Christ trying to make their way to the famed city of Ruten amiss.**

**The game starts with a classic two-player fighting game for English speaking players since the game focuses heavily on fights.**

**This is followed by a single player fight to secure the necessary powers to move on to the new world.**

**The combination of the fighting game with the single player part creates a unique rhythm that isn't experienced anywhere else.**

**Players will need to push, pull, and attack each other to achieve a good score. However when the fight ends, the fun is not over!**

**The final part of the single player means that players have to use their special powers to reach the goal.**

**This is where the level of tension rises as you're now taking on other players! But the most exciting part of this game is the ability to compete in a multilayered world designed with balance and advancement in mind!**

As the woman who became one of the most renowned Korean artists at a very young age, Baek-ho put a lot of efforts in her work for the studio. With oil paint, she created a beautiful piece for you.

The final exhibition is over, but we still love you! For 2 years and 4 months, we you worked hard! Thank you so much! Your response, talent, and love certainly gave us the positivity, courage, and confidence to believe in ourselves. We're immensely grateful for your company, and we wish you all the best!

This is Los Angeles County Coroner, Fernando Diaz. I would like to report a female corpse that has been found. I arrived at the site. She was found stuck in a living room on the second floor of the house. And there is a case of a heated argument on the night before. If I close the window, can I infect the atmosphere or not? If I go ahead and go out, will it move around or at least within and such?
