An Action RPG centered on the Elden Ring created by the legendary designer from Final Fantasy. Elden Ring takes place in the Lands Between, where the fal'Ciel and the adamantine are fighting for the dominance of the Elden World. The source of the fal'Ciel's powers is the Elden Ring, a legendary artifact. Through the power of the two fates, where the fei'Yuin and the fal'Ciel exist in symbiosis, the player can open their own destiny and become an Elden Lord, the strongest one of all. The est of the game is a fantasy world of high fantasy. Its setting and atmosphere are inspired by the legends and myths of the world. The story is about a human being (the player-character), whose life changes due to the fate of the 2nd cycle of the Elden World. The Lands Between have a vast world with their own unique atmosphere and layout that players can explore anytime. Sensing the hope that the fal'Ciel and adamantine have in the Elden World, you arrive in the world and the story of the game starts! – Story and Characters: The fal'Ciel's story is about a human being who exists in the Lands Between. The hero is named as Tamriel, which is an ancient name of the Elden World in the fal'Ciel's language. You choose a name for your character. – The Fal'Ciel and adamantine: The fal'Ciel, representing the power of the Elden World, and the adamantine, representing the power of the earthly world, exist in symbiosis. This world is split into the fal'Ciel and the adamantine worlds. Humans are divided into the guardians and the fallen. Humans in the dark time evolve, and some of them, the Fallen, receive the power to change the fate of the Elden World, and the power to enter the fal'Ciel's World. The fal'Ciel's age is disappearing, and the adamantine's power is increasing. The two powers cannot be separated. In order to change the fate of the Elden World, the fal'Ciel uses the might of the Elden Ring to form the Adamantine Army. – Character Balance: – An Optional Dynamic of Elemental Power – An optional

STORY - LEGEND - ANIMATION The Elden Ring is an online Fantasy Action RPG created by Corona Digital Co., Ltd. (CEO: Eisuke Murata) with its first title, The Elden Ring: Chapter 1. The game will be released in 2018 in Japan on PlayStation 4. - About the Story - The Elden Ring, which is a legend told in fragments, is an RPG where you play as an Elden Lord of the Lands Between. A lovely story in which the different thoughts of the Elden Lords interact with each other. The Story: - Prologue - The Lands Between was once a peaceful land. Legend says that it was once the infinite world. There were no boundaries between humans, monsters, and the Elden Gods. Legend says that the Elden Gods existed upon the world. Though they were simultaneously connected to humans, monsters and the world of the Elden Gods, the Elden Gods were separate from humans. Humans called the Elden Gods "the Elden Ring." The Elden Ring became corrupted as they gained strength. They started to use humans and monsters for their advantage, and destroy the lands between the gods and humans. However, the Elden Ring's power didn't increase infinitely. Instead, it stopped at the point where the legends say it should. Legend says that the Elden Ring was not destroyed. It was sealed and placed within the earth. The Elden Ring became the source of all power in the Lands Between, and the source of the Elden Gods' power. Then, the planet

What's new:

The Continued Development of the NEXUS Online Game World (*Production start of "3.0"*)

Every single aspect of *Tarnished Soul* has been reworked and recreated. With *Tarnished Soul 3.0* we are putting your input from past and present content to good use, preparing a world even more satisfying for you to explore!

The origins of the new *Tarnished Soul* is going back to the original light novel series, in which *Tarnished Soul* was born, and is faithfully returning to the original world. Both in pace and in flavor, the new *Tarnished Soul* that you experience will continue to carry the strong 'life force' and be deeply and wonderfully tied in to the original series as a nostalgic twist of the original, while the new elements and gameplay that have been added will be completely new, fitting perfectly with the current state of the franchise. We plan to evolve the feeling of the game and the vast world around the game as we iterate the game's mechanics through more content, while creating a world fit for a game that will be serviced in the future.

There have been many opportunities for community content creation, and it has been presented in the media in multiple forms. Aiming for a *Tarnished Soul* that everyone can enjoy, we have in mind, a full-fledged project covering every aspect of development. For example, pixel art, models, programming, etc. are all generating content based on the finalized plan.

***Tarnished Soul's* official website will officially go live in April 2018, along with a comprehensive guide for everyone to organize and create content.**

In addition, the *Tarnished Soul* official community website (described in link 1 as the
